THIS IS THE ONLY "PAPER" NOTICE YOU WILL RECEIVE REGARDING THE
SPRING CONFERENCE

The Office of Energy and Planning is pleased to extend this invitation to attend our 16th Annual Spring Planning and Zoning Conference scheduled for Saturday, May 2, 2009 at the Radisson Hotel in Manchester, New Hampshire.

This year's conference will offer Planning and Zoning Board members topics of municipal and statewide interest. It is our hope that attendees will acquire new ideas and greater knowledge to help support their role in serving the communities of New Hampshire.

In past years we have mailed your office a package that included the conference agenda, registration form, and directions. This year we ask that you join us in our effort to reduce paper consumption by accessing these documents and registering your board members online at our website: www.nh.gov/oep. If you cannot access our website, please contact our office.

As always, *space is limited so register early* to ensure your first choices for sessions. Registration materials will be available online beginning March 2, 2009. For more information on this conference, please go to http://www.nh.gov/oep/events/spring_conference/index.htm.

Should you have any questions, please don't hesitate to contact Michele Zydel at 271-2155 or via e-mail: michele.zydel@nh.gov.

Thank you for your participation and we look forward to seeing you at the conference!
